SLO Brew

SAN LUIS OBISPO, CALIFORNIA
9,400 SF | 2016

A local landmark, this popular restaurant and entertainment venue is one of the only venues in town to host live music. Abbott|Reed retrofitted SLO Brew's new home in the downtown Carissa building into a brewery, pub, restaurant and concert hall with a mezzanine level featuring a lounge, office space, and mechanical room. Originally none of the existing structure could support new equipment, so the team developed solutions to hold stage lighting and speakers. Not to mention, since this was a downtown project, all materials also had to be hand-delivered on site.
